

Drivesett® Deco Driveways

A traditional cobbled effect on entire driveways, paths or patios is easy to achieve with versatile Drivesett Deco

Drivesett Deco, Traditional (TR), edged with Drivesett Kerb, Traditional (TR). Ideally Drivesett Deco should be laid across the width and not parallel to the drive

Traditional (TR)

Terracotta (T)

Cotswold (C)

Cinder (CI)

- These smaller rustic blocks have a unique charm that really stands out
- Part of the Drivesett family so it complements Drivesett Tegula Walling and other Drivesett Blocks
- This versatile small block is styled for driveways, edges, paths or patio features
- Can be laid within an area of Drivesett Tegula Original, Drivesett Duo or other paving as a feature or on its own
