

Drivesett® Argent® Circle

A Drivesett Argent Circle looks stunning at the heart of a modern granite look driveway

Drivesett Argent Circle and Drivesett Argent, Dark (DK).
Edging Drivesett Argent, Light (LT), Tegula Kerb, Pennant Grey (PG)
Installed by Jason Clarke, Classic Paving, Cheshire

- The versatile Drivesett Argent Circle can be used to break up the uniformity of large areas in Argent Driveways
- Circles can be used to create a focal point that will make your driveway stand out
- Can be laid with an area of Drivesett Argent of any colour or as a separate feature

Drivesett Argent Circle, Light (LT),
set in Drivesett Argent, Dark (DK) driveway,
with feature band Argent Dark (DK)

Graphite (GR)
