

# Driveline<sup>®</sup> Elise<sup>®</sup> Driveways

The appealing subtle texture and bigger block size is guaranteed to turn heads

Driveline Elise, Pebble Grey (PB). Border edged with Drivesett Kerb, Pennant Grey (PG) and Drivesett Argent Light (LT)

- Twice the size of Driveline 50, Elise is guaranteed to attract attention
- Driveline Elise is a single size driveway block that will look good whatever the size of property
- The attractive hammered look adds interest to driveway areas
- The larger size should cut laying times and speed completion

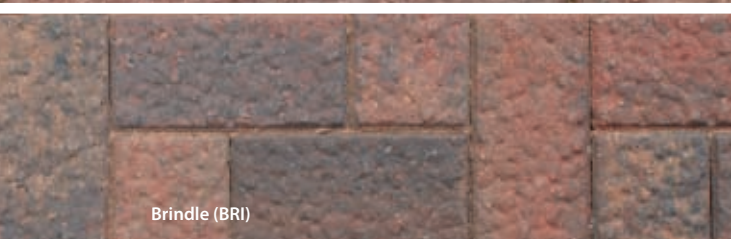

CO<sub>2</sub> per m<sup>2</sup>

STANDARD

Driveline Elise, Brindle (BRI), border edged with Tegula Kerb, Traditional (TR)  
Designed and installed by Perfect Paving Ltd., Keston
